

# COFHE Advising Deans Conference

Massachusetts Institute of Technology | February 28 - March 1, 2024

## Attendees Biographies

**Name:** Alexis Andres

**Email:** aandres@princeton.edu

**Institution:** Princeton University

**Job Title:** Dean

**Office Description:** Residential college dean, providing academic and co-curricular support to students from matriculation to graduation.

**Number of Years:** 20+

**Name:** Stephen Armstrong

**Email:** stephen.armstrong@rochester.edu

**Institution:** University of Rochester

**Job Title:** Associate Director for Student Success Initiatives

**Office Description:** Advise students to utilize university resources to maximize their unique educational and personal potential by providing timely and accurate information, requirements, opportunities, policies, and procedures to students and colleagues.

**Number of Years:** 8

**Name:** Tracy Arwari

**Email:** tracy.arwari@pomona.edu

**Institution:** Pomona College

**Job Title:** AVP of Student Affairs and Dean of Students for Academic and Personal Success

**Office Description:** As part of my portfolio in student affairs, I oversee the class dean program (and serve as the senior class dean). We navigate emotional, financial, academic, and personal concerns and support students in finding appropriate solutions and getting connected to resources both on- and off-campus.

**Number of Years:** 20

**Name:** Heather Bacon

**Email:** h-bacon@northwestern.edu

**Institution:** Northwestern University

**Job Title:** Director of Advising, School of Engineering

**Office Description:** The Undergraduate Engineering Office (UEO) strives to support students in their academic growth during their time as undergraduate students at Northwestern University. The UEO team works to ensure that students understand their progress through degree requirements, supports students in navigating campus resources, and develops policy and programming to facilitate student development.

**Number of Years:** 13

# COFHE Advising Deans Conference

Massachusetts Institute of Technology | February 28 - March 1, 2024

## Attendees Biographies

**Name:** Timothy Baker

**Email:** timothy.m.baker@dartmouth.edu

**Institution:** Dartmouth College

**Job Title:** Assistant Dean of Faculty for Academic Advising Programs

**Office Description:** My office oversees the faculty pre-major advising program, academic portions of New Student Orientation, and a variety of other programs and projects related to the academic curriculum.

**Number of Years:** 10

**Name:** Kimberley Basset

**Email:** kbasset1@jhu.edu

**Institution:** Johns Hopkins University

**Job Title:** Assistant Dean for Undergraduate Academic Advising

**Office Description:** The mission of academic advising at Johns Hopkins University is to provide quality advising that calls on the expertise of faculty, staff, and administration, who work with students to identify and explore the unique curricular, co-curricular, and extracurricular opportunities that define the Johns Hopkins University undergraduate experience.

**Number of Years:** 16

**Name:** Rachel Beane

**Email:** rbeane@bowdoin.edu

**Institution:** Bowdoin College

**Job Title:** Associate Dean for Faculty Recruitment and Pre-major Advising

**Office Description:** The Office of the Dean for Academic Affairs is responsible for the academic program and for supporting the faculty and staff who bring it to life.

**Number of Years:** 25

**Name:** Maitrayee Bhattacharyya

**Email:** Maitrayee\_Bhattacharyya@brown.edu

**Institution:** Brown University

**Job Title:** Senior Associate Dean of the College for Diversity, Equity and Inclusion

**Office Description:** The mission of the College is to support undergraduate student learning and ensure that each and every student is engaged, empowered, and transformed by their education at Brown. Our College Division staff, programs, and centers offer knowledge and expertise about Brown's academic and co-curricular resources. We coordinate exploratory advising (first-year and sophomore advising) and also peer advising; support faculty on concentration advising, upper-class advising, and course development; oversee the undergraduate curriculum; provide academic support and opportunities for skill development across disciplines; and structure and fund experiences for students to deepen their learning through research, fellowships, engaged scholarship, independent studies, study abroad, and career exploration.

**Number of Years:** 17

# COFHE Advising Deans Conference

Massachusetts Institute of Technology | February 28 - March 1, 2024

## Attendees Biographies

**Name:** Aliya Bhimani

**Email:** aliya\_bhimani@fas.harvard.edu

**Institution:** Harvard College

**Job Title:** Director, Advising Programs Office

**Office Description:** The Advising Programs Office (APO) cultivates quality academic advising for all Harvard College students. The APO promotes the intellectual and personal transformation of students across the four years by encouraging exploration, planning, reflection, and informed decision-making about curricular and co-curricular choices and opportunities. The APO leads the pre-concentration advising network, inclusive of faculty, administrative and residential staff, and graduate and upper-level students by providing them education, training, resources, and support to ensure students receive robust and equitable academic advising. The APO collaborates with colleagues in academic departments, partners in the Office of Undergraduate Education, the Dean of Students Office, and other constituents to ensure that students are well prepared and empowered to access the full scope of Harvard College's liberal arts and sciences education.

**Number of Years:** 17

**Name:** Thomas Chiarolanio

**Email:** chiarolt@georgetown.edu

**Institution:** Georgetown University

**Job Title:** Senior Associate Dean

**Office Description:** The Georgetown College of Arts & Sciences (CAS) Dean's Office is the central academic advising office for all undergraduates (3600) in the CAS. Our office provides academic support, guidance, and mentorship to CAS students upon matriculation and through graduation. In addition to providing academic advice, all advising deans monitor the academic progress of all students. The CAS Dean's Office works collaboratively with other campus partners to provide holistic support for our students. Our Office is comprised of 16 full-time advising deans. In addition to advising students, members of the Dean's Office serve on CAS leadership committees and University leadership committees which focus on curriculum, innovation and strategy, undergraduate research, and DEI initiatives to name a few.

**Number of Years:** 25+

# COFHE Advising Deans Conference

Massachusetts Institute of Technology | February 28 - March 1, 2024

## Attendees Biographies

**Name:** Bonnie Comella

**Email:** bec3@cornell.edu

**Institution:** Cornell University

**Job Title:** Associate Vice Provost for Undergraduate Education

**Office Description:** The Office of the Vice Provost for Undergraduate Education (OVPUE) coordinates and oversees wide areas of undergraduate education across Cornell's ten schools and colleges. Providing strategic leadership, the OVPUE facilitates collaboration and cohesion, engaging with key partners across campus to lead a variety of university-wide initiatives, primarily focusing on academic policies, curricula, advising, pedagogy, and student engagement.

**Number of Years:** 32

**Name:** Tamar Daskin

**Email:** tdaskin@uchicago.edu

**Institution:** The University of Chicago

**Job Title:** Assistant Dean of Students

**Office Description:** College Academic Advising Office - we advise all college students across all four years on their academic path from matriculation through graduation.

**Number of Years:** 11

**Name:** Matthew DeVoll

**Email:** mwdevoll@wustl.edu

**Institution:** Washington University in St. Louis

**Job Title:** Senior Assistant Dean

**Office Description:** Student Academic Affairs in the College Office supports academic advising, preprofessional advising, student progress and policy for undergraduates in the College of Arts & Sciences.

**Number of Years:** 21

**Name:** Wilmetta Diallo

**Email:** tolover-diallo@wustl.edu

**Institution:** Washington University in St. Louis

**Job Title:** Senior Assistant Dean

**Office Description:** I oversee pre-professional advising and post-graduate planning.

**Number of Years:** 22

# COFHE Advising Deans Conference

Massachusetts Institute of Technology | February 28 - March 1, 2024

## Attendees Biographies

**Name:** SD Gaines

**Email:** sgaines@oberlin.edu

**Institution:** Oberlin College

**Job Title:** Director of Academic Advising Programs

**Office Description:** The Academic Advising Resource Center (AARC)/Office of the Registrar supports academic advisors and students on issues related to academic success, progress toward degrees, courses, grading, and academic standing.

**Number of Years:** 11

**Name:** Wendy Garay

**Email:** wgaray@barnard.edu

**Institution:** Barnard College of Columbia University

**Job Title:** Senior Associate Dean of Studies/First Year Dean

**Office Description:** The Deans' Office for Advising & Support, comprising a dedicated staff of the Dean for Academic Planning and Class Advising, Class Deans, and administrative assistants, is committed to supporting the academic success, personal development, and mental and physical well-being of all students. To those ends, the members of the office facilitate students' access to academic and nonacademic support resources at the College. The Class Deans help students develop educational goals and complete their graduation requirements, collaborate with faculty in their roles as teachers and advisers, and work with other administrative colleagues to ensure the success of all Barnard students.

**Number of Years:** 28

**Name:** Barbara Hall

**Email:** bhall@haverford.edu

**Institution:** Haverford College

**Job Title:** Advising Dean

**Office Description:** The Advising Deans build relationships with students as they navigate academic, social, and community experiences, and support them in their time at Haverford. We help students create a thriving ecosystem and find belonging; listen wholeheartedly to questions, concerns, and visions; and learn from students' experiences with an appreciation for their multifaceted lives. Advising Deans seek to learn about a student's academic aspirations via one-on-one meetings, informal gatherings, and events around campus; help them to navigate the curriculum as well as college policies and practices; empower students to connect with opportunities, resources, and networks of support and encourage students to reflect on the interrelations between their curricular, co-curricular, and community investments; offer scaffolding as students rise to meet challenges and offer support in times of crisis; identify and address structural barriers to equity so that all students have access to the opportunities and resources of the college; work in close collaboration with one another to maintain our own commitment to equity in our policies and practices, and with our colleagues across the campus community to ensure equity in students' educational experience.

**Number of Years:** 23

# COFHE Advising Deans Conference

Massachusetts Institute of Technology | February 28 - March 1, 2024

## Attendees Biographies

**Name:** Ean High

**Email:** Ean.High@Duke.edu

**Institution:** Duke University

**Job Title:** Associate Director, Academic Advising Center

**Office Description:** The AAC guides and supports the work of college advisors to build purposeful relationships in which students identify and embrace opportunities for growth as scholars and citizens.

**Number of Years:** 6

**Name:** Alison Hopkins

**Email:** ahopkins@mtholyoke.edu

**Institution:** Mount Holyoke College

**Job Title:** Assistant Dean of Studies, Academic Dean for Sophomores and Juniors

**Office Description:** The Academic Deans are part of a student's advising network within the College's integrated advising model. The Academic Deans Office helps students develop strategies for success by assisting with course selection and major declaration, addressing issues related to credit shortages or overloads, consulting with students about leaves of absence, monitoring academic progress toward meeting graduation requirements and nominating students for honors and awards. Since the office works closely with faculty and many on-campus offices, the Academic Deans Office is positioned to help students understand, navigate and access the many resources available at Mount Holyoke College.

**Number of Years:** 20

**Name:** Mary Beth Horvath

**Email:** mhorvath@brynmawr.edu

**Institution:** Bryn Mawr College

**Job Title:** Associate Dean of the First Year Experience

**Office Description:** The Class Deans advise, encourage, and support students to become connected, involved, and engaged students. Class Deans seek to a) promote student persistence; b) connect students with internal and external resources to support student success; c) facilitate purposeful programming that informs and enhances the student experience; and, d) evaluate, implement, and revise policies, procedures, and protocols to consistently meet student needs.

**Number of Years:** 23

# COFHE Advising Deans Conference

Massachusetts Institute of Technology | February 28 - March 1, 2024

## Attendees Biographies

**Name:** Natalie Hoyt

**Email:** natalie.hoyt@dartmouth.edu

**Institution:** Dartmouth College

**Job Title:** Assistant Dean of Undergraduate Students, Director First Year Initiatives

**Office Description:** The office's main mission is to support students in their engagement with the curriculum and in their overall educational experience at Dartmouth. We meet with students to discuss academic advising, personal issues, and College policies. We can provide information about College resources and make referrals as needed.

**Number of Years:** 20

**Name:** Anne Hudak

**Email:** Anne.B.Hudak@dartmouth.edu

**Institution:** Dartmouth College

**Job Title:** Associate Dean for Student Support Services

**Office Description:** Oversee academic and personal advising of our students.

**Name:** Jennifer Joyce

**Email:** jjoyce@smith.edu

**Institution:** Smith College

**Job Title:** Dean of the First Year Class

**Office Description:** To support students' academic progress

**Number of Years:** 20

**Name:** Ray Kim

**Email:** yrk2@cornell.edu

**Institution:** Cornell University, College of Arts & Sciences

**Job Title:** Director of Advising

**Office Description:** Arts & Sciences Advising seeks to help all A&S students make the most of their Cornell education. We help students find their academic paths, teach them how to navigate the University's vast opportunities and resources, support them through academic and personal crises, and connect them to appropriate support services.

**Number of Years:** 21

# COFHE Advising Deans Conference

Massachusetts Institute of Technology | February 28 - March 1, 2024

## Attendees Biographies

**Name:** Brooks Lambert-Sluder

**Email:** blambert@fas.harvard.edu

**Institution:** Harvard College

**Job Title:** Assistant Director, Advising Programs

**Office Description:** The Advising Programs Office (APO) cultivates quality academic advising for all Harvard College students. The APO promotes the intellectual and personal transformation of students across the four years by encouraging exploration, planning, reflection, and informed decision-making about curricular and co-curricular choices and opportunities. The APO leads the pre-concentration advising network, inclusive of faculty, administrative and residential staff, and graduate and upper-level students by providing them education, training, resources, and support to ensure students receive robust and equitable academic advising. The APO collaborates with colleagues in academic departments, partners in the Office of Undergraduate Education, the Dean of Students Office, and other constituents to ensure that students are well prepared and empowered to access the full scope of Harvard College's liberal arts and sciences education.

**Number of Years:** 18

**Name:** George Levesque

**Email:** george.levesque@yale.edu

**Institution:** Yale College

**Job Title:** Dean of Academic Affairs

**Office Description:** The Office of Academic Affairs is responsible for undergraduate academic and curricular programs and works collaboratively with the Dean of the College, the faculty, teaching fellows, directors of undergraduate studies, residential college deans, and students to address academic concerns and develop appropriate policies and procedures for Yale College.

**Number of Years:** 30

**Name:** Alvin Lomibao

**Email:** alvin.lomibao@rochester.edu

**Institution:** University of Rochester

**Job Title:** Assistant Dean, Undergraduate Studies

**Office Description:** Rochester's school of engineering houses 1,600 undergraduates in 11 majors. Nested within the dean's office, the Undergraduate Studies team (7 FTE) has hand in all aspects of the undergraduate experience—from recruitment and yield, to academic advising, co-curricular exploration, and graduation activities. Along with deans, senior administrators, and campus partners, the team's overall goal is to enrich the student experience, as well as improve retention and graduation rates.

**Number of Years:** 10

# COFHE Advising Deans Conference

Massachusetts Institute of Technology | February 28 - March 1, 2024

## Attendees Biographies

**Name:** Chelsea Longin

**Email:** longin@mit.edu

**Institution:** Massachusetts Institute of Technology

**Job Title:** Associate Dean, Advising & Strategic Initiatives

**Office Description:** The Undergraduate Advising Center (UAC) team strives to help every undergraduate student at MIT reach their full potential with individualized, holistic advising from matriculation to graduation.

**Number of Years:** 12 (2 in corporate!)

**Name:** Diep “yip” Luu

**Email:** luu@mit.edu

**Institution:** Massachusetts Institute of Technology

**Job Title:** Associate Dean & Director, Undergraduate Advising Center; Interim Director, Office of Minority Education

**Office Description:** The UAC staff serve as mentors, advocates, and navigators, tailoring their support to meet the needs of the individual student. In collaboration with faculty, academic departments, and campus partners, we work with students to develop comprehensive success plans that align with their interests and values. Our holistic approach extends beyond academics, recognizing the importance of students’ overall well-being. We aim to foster resilience, adaptability, and personal growth in our students, equipping them with the tools, knowledge, and skills necessary to navigate the complexities of MIT and the world beyond.

**Number of Years:** 16

**Name:** Jessie Martin

**Email:** jessie@jhu.edu

**Institution:** Johns Hopkins University

**Job Title:** Assistant Dean, Academic Advising

**Office Description:** The office of academic advising works with students to identify and explore the unique curricular, co-curricular, and extracurricular opportunities. Advisors empower students and support their holistic well-being as they navigate their academic choices, explore meaningful experiential learning opportunities, and engage in a richly diverse campus community. Advisors work to ensure that all students have the opportunity to define and pursue their personal, academic, and professional goals. The Office of Academic Support offers programs to improve study skills, provide subject-specific tutoring, and encourage peer to peer collaborative learning. The Office of Academic Support helps students build a pathway to success by equipping students with the tools necessary to achieve their full academic potential.
